## FAQ

### How do I transfer my prescriptions from my current Pharmacy?

Transferring your prescriptions to us is quick and easy. We will gladly do the rest for you.

### How can my provider send a new prescription to the Pharmacy?

Your provider can send an electronic prescription to the Pharmacy. If the office does not have the ability to send prescriptions electronically, they can call or fax the prescription to us.

### Can I get a 90-day supply of my prescription?

Absolutely! As long as your provider writes your prescription for a 90-day supply, we can fill that for you.

### Can I use my flexible spending account (FSA) to pay for over-the-counter medications?

We are not able to utilize your FSA funds for over-the-counter items at the Pharmacy.

### Can I get my prescriptions mailed to me?

### How can the Laitram Pharmacy save me money?

The more you use the Pharmacy, the more you save by keeping premiums down. With lower co-pays and cheaper medications, using the Pharmacy will keep money in your pocket.
